

# TOOLBOX TALK

## JOBSITE EQUIPMENT (Máquinas en el Area de Trabajo): Lockout/Tagout (Aislar/Etiquetar)

Follow lockout/tagout procedure.  
Have a trained employee Lockout/Tagout  
the equipment from service.

*Siga los procedimientos de aislamiento/etiquetado.  
Tener un empleado entrenado que Aisle/Etiquete  
la maquinaria del servicio.*

De-energize the equipment.

*Desconecte la entrada de energía a la maquinaria.*

Attach tag to forklift or aerial lift that states  
"OUT OF SERVICE," "EQUIPMENT LOCKED OUT,"  
"DANGER," or similar language.

*Ponga una etiqueta al montacargas o al elevador aereo  
que diga "fuera de servicio," "maquinaria aislada," "Peligro"  
o expresiones similares.*

Remove "OUT OF SERVICE" tags when equipment  
meets manufacturer's recommendations.

*Remueva la etiqueta "fuera de servicio"  
cuando la maquinaria cumpla con las  
recomendaciones del fabricante.*
