

National Framers Council Membership Application

NON-FRAMER MEMBER

Corporate Non-Framer Member

(Suppliers, Builders, GCs & other aligned businesses)
Any firm, partnership or corporation engaged in a business other than framing that is interested in furthering the goals of NFC. This includes builders, general contractors and those supplying materials and/or services to framers including, but not limited to, structural components, building materials, products, equipment, machinery or design.

A company qualifies for the Regional Member rate if it does business in only one region defined by the NFC. Contact staff to determine if your company qualifies for the Regional Member dues level and/or how to combine a regional membership with sponsorship opportunities.

Annual Dues: National Member: \$1,025
Regional Member: \$615

Individual Non-Framer Member

(Architects, Engineers, Building Officials, Students, etc.)
Any individual engaged in a business other than framing or installed sales who provides professional services to the framing industry and is interested in furthering the goals of NFC. This includes, but is not limited to, architects, engineers, building officials, educators, students, etc.

Annual Dues: \$100

The full dues amount must be submitted with this membership application. Please return this form with your check in U.S. funds made payable to Structural Building Components Association with "NFC" on the memo line.

YES, SIGN US UP TO JOIN NFC! We hereby apply for membership in the National Framers Council, a council of the Structural Building Components Association (SBCA). If admitted to membership, we will observe all provisions of its articles, dues and assessments, and will actively support its policies, goals and programs.
